

Massy Wood Group Ltd.

Unsurpassed Solutions. Partner of Choice.

Massy Wood Group Ltd., (Massy Wood) was established in 2003 and is jointly owned by the Energy division of Massy Holdings Ltd., Trinidad and Tobago's largest conglomerate and Wood PLC, a global leader in consulting and engineering across energy and the built environment.

Massy Wood Group (Guyana) Inc. was incorporated in 2018 and is a wholly owned subsidiary of Massy Wood. With offices located in the capital of Georgetown, Massy Wood Guyana continues to increase our workforce with qualified Guyanese nationals.

We are a leading integrated energy services partner, committed to building a responsible and sustainable operation which develops local talent with best-in-class knowledge, systems and processes from around the globe. We provide project, engineering, maintenance and technical services to industrial, energy, process, utility and clean energy markets around the world.
